

4 Postdoctoral scientist positions will be available in 2020 (two years renewable).

The scientists will be based in several labs located at the CIML.

Our AIM: The scientists will be part of a multidisciplinary research program aiming at exploring new topics in **Immuno-Oncology** and **Neuro-immunology**.

Our OFFER: We are looking for highly motivated outstanding post-doctoral fellows holding a PhD in Immunology, Onco-immunology or Neuroimmunology. Experience in molecular and cellular biology techniques, microscopy and flow cytometry will be highly appreciated. We offer a rich multidisciplinary environment, as well as access to the state-of-the-art technology, which should ensure the successful development of the research programs.

APPLICATION: Candidates should send a CV, a cover letter, and contact information for two referees to vivier@ciml.univ-mrs.fr; ugolini@ciml.univ-mrs.fr and milpied@ciml.univ-mrs.fr.

The deadline for applications is 15th July 2020.
